NEIGHBOURHOOD SOLIDARITY

We know that it's important at this time to stay home and when we go out and about, that we keep it local. It's important to know what support exists in your local area, just in case you need it.

A-OK (Acts of Organised Kindness) is a neighbourhood solidarity project to support you, residents of our local area. This project has been developed alongside Clyde Community Hall and seeks to involve all key local stakeholders to create a coordinated community response to the Covid-19 pandemic.

WHO IS KINNING PARK COMPLEX?

We are a member led organisation, and social enterprise located in the old school building at the top of Cornwall Street.

WHAT WE DO

- We rent offices, studios and halls for events
- We provide access to facilities and support to allow others to grow and develop their business
- We support the development of social enterprises that provide for the needs of our communities

With a focus on **Community, Creativity, Citizenship** and **Wellbeing** we deliver a programme of activity that:

- Brings our communities together and creates connections
- Develops their creativity and teaches them new skills
- Keeps them physically active and mentally healthy
- Inspires and supports them to play a role as active citizens and members of the Kinning Park Complex

Delivered and coordinated by Kinning Park Complex and Clyde Communiy Hall. Funded by Scottish Government and Glasgow CityHealth & Social Care Partnership, through Impact Funding Partners.
